YEAR 'ROUND VACATION RENTALS IN A PRIVATE COMMUNITY

Now you can discover Yosemite's best-kept secret: Yosemite West, a privately-owned community right inside the park. Our condominiums are the closest accommodations to the valley floor and Badger Pass Ski Resort. When the park is crowded in the summer, you'll get away to your secluded getaway. In the winter, your base of operations is just minutes from some of the best skiing in Central California.

CONDOMINIUMS OFFER THE MOST COMFORT FOR YOUR MONEY

Relax in your roomy queen-size bed, or have a barbeque with your outdoor grill. Fix a snack in your fully-equipped kitchenette. Watch a free movie from our video library. In any of our condominium units, you'll have comfortable accommodations that are the very best value within a national park setting!
