

# Scenic Wonders Property Locator

For your convenience and to lessen the impact on our community, Scenic Wonders maintains two check-in offices in Yosemite West, one for our home rentals and one for our condominium rentals. Below are the addresses for each office:

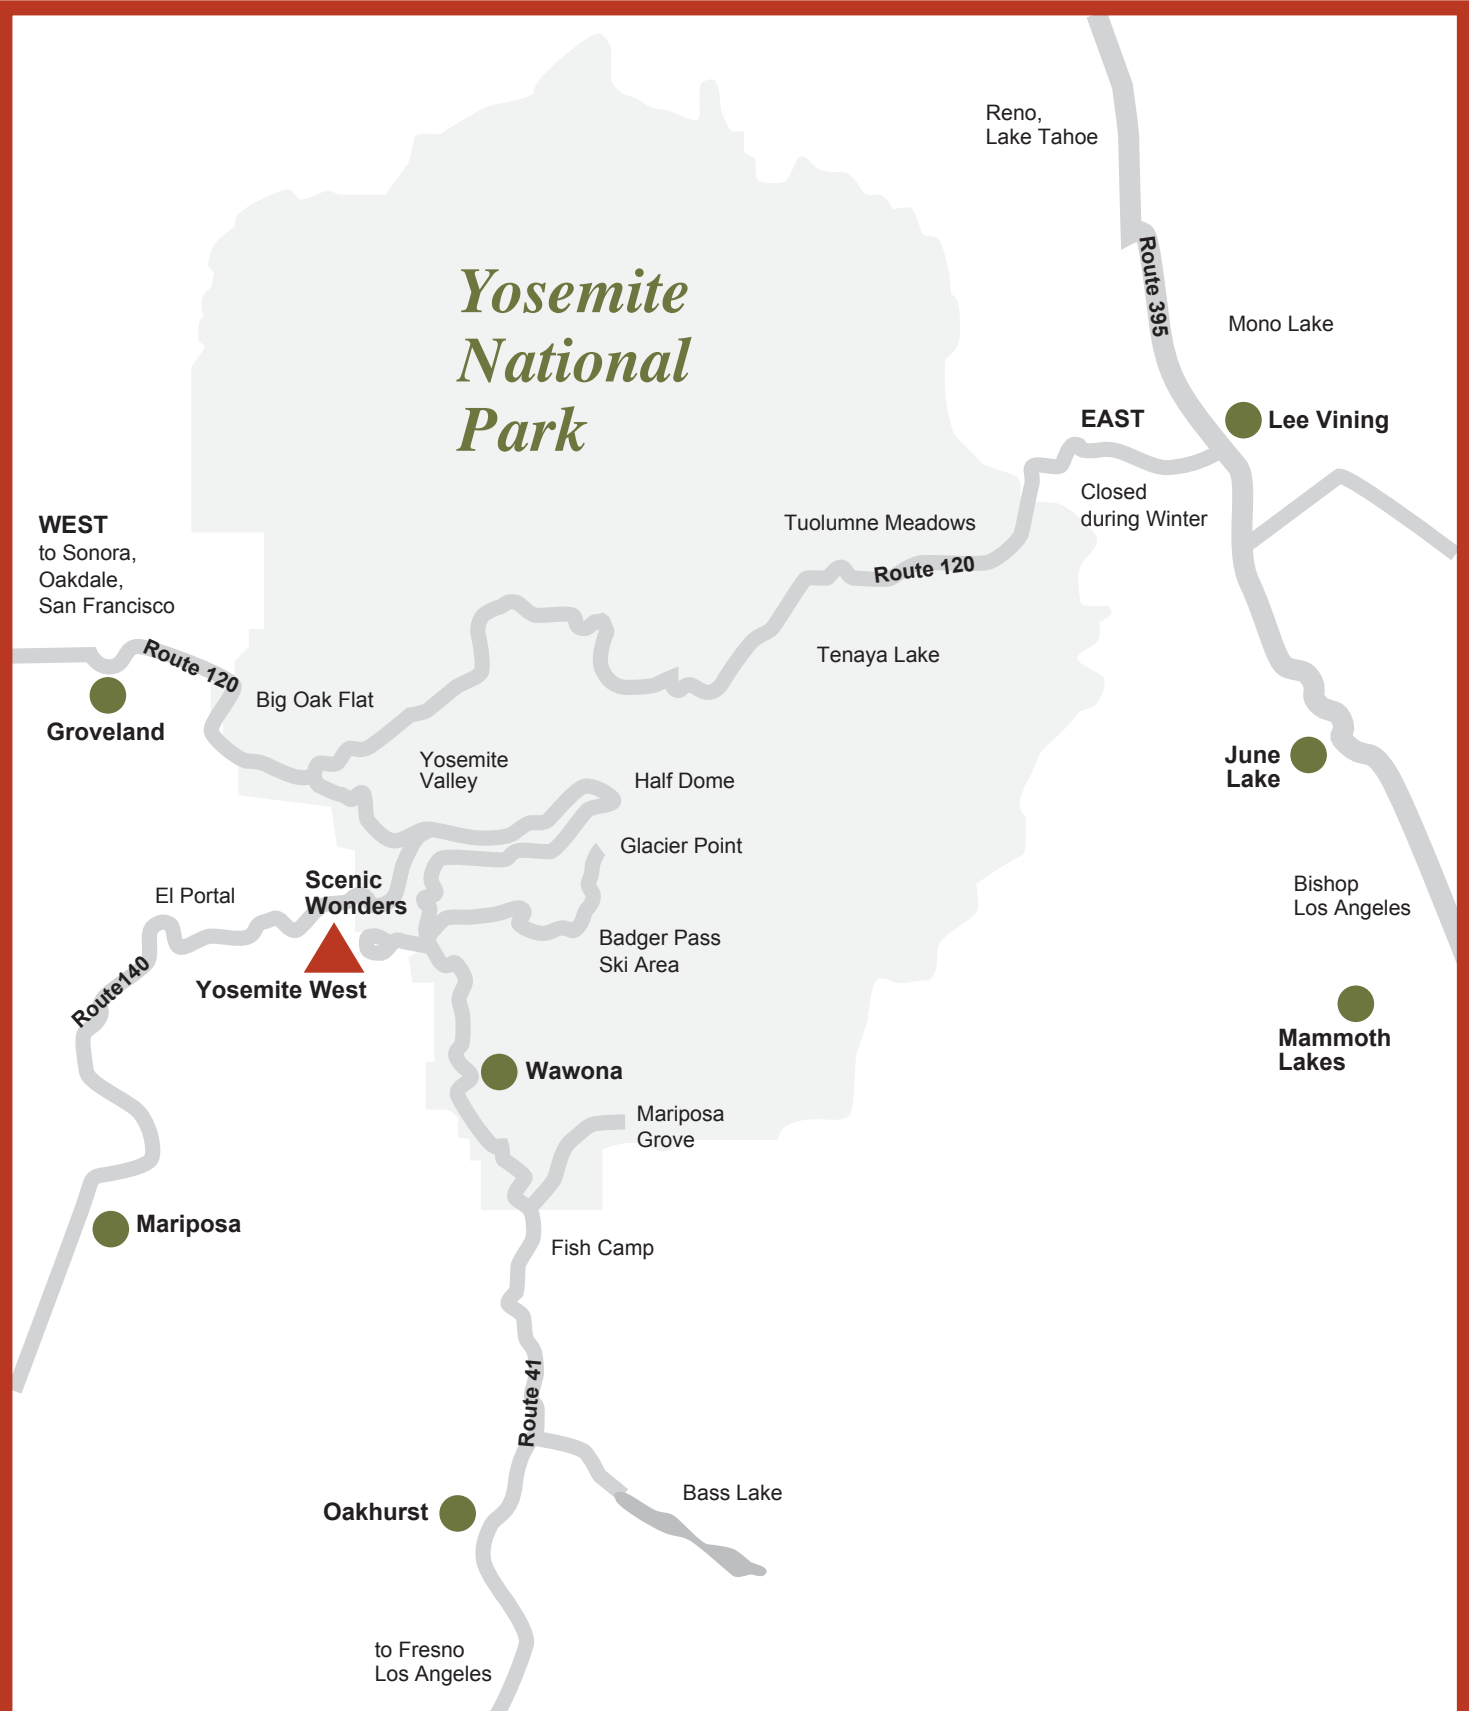

Yosemite's Scenic Wonders Homes Office  
 7403 Yosemite Park Way - Yosemite West  
 Yosemite National Park CA 95389

Yosemite's Scenic Wonders Condominiums Office  
 7540 Hennes Circle - Yosemite West  
 Yosemite National Park CA 95389

We strongly recommend that you use our maps that we send with your reservation confirmation. Due to our remote location, our guests constantly have problems using their GPS systems due to lost signals and maps provided by Map Quest, Yahoo, etc. are not totally accurate.

We also recommend that guests coming from the San Francisco bay area use Route #120 coming in from the West entrance of the park, it is about twenty minutes longer but a lot less winding, and a much more comfortable ride.
